Improve the enjoyment of teaching and learning in welsh.	3) Sgwad Cymraeg to model and support the use of welsh throughout the school, encourage and support staff, help source and make resources. Reward pupils for use of welsh language around school with tocyn iaith.	Sgwad Cymraeg supplied all classes with welsh games, book of games and Weekly Sentence patterns for their box Cymraeg. Tocyn iaith were given out around school by Sgwad Cymraeg every day, Dewi Dragon was given to the class who collected the most Tocyn iaith's. Review this to make sure it is fairly carried out. Not all Sgwad Cymraeg Members were confident in helping others with welsh	More formal organisation: <ol style="list-style-type: none"> 1. Elected members from each class. 2. Set jobs 3. Teach a phrase each week that they can teach to others.
