Hello Fairfield children and parents,

Today we learnt that schools will remain closed for a longer time than originally expected. We hope that you are all well and enjoying the online learning. Next week we start the daily introduction / registration, so please watch this before doing any work, as it will help you understand what you need to do. Please also make sure you give a quick message to your teacher, so they know you have logged into the classroom.

However, we know that some of you are sharing IT equipment at home with brothers and sisters, so please don't worry if you can't watch your teacher's video until later in the day. Therefore, we will wait until the afternoon to contact those who don't respond online. This communication will be via email or phone and is being carried out to check that all is ok and if you need any help logging in, etc. If you are unable to interact online on certain days, please let us know so that we don't have to try and contact you later in the day.

NURSERY PARENTS: Activities are set for you weekly by Mrs Weir, so you will only have one video message on a Monday morning. Therefore, you only need to respond once, after you have watched the message.

Here's to lots of wonderful online learning ahead!!
Stay safe everyone!
