

Fairfield Fencers finish on a high.

At the last competition of the fencing season Fairfield was ably represented by three of our pupils, who against a tough field of fencers from all around Britain acquitted themselves admirably:

Cai Eastwood taking Silver in the U11 boys epee

Charlie Beard finishing 16th in the U 11 boys epee

Joe Casey finishing 7th in the U9 boys epee.

After a tough year competing in various events around Britain, Fairfield fencers have finished the season in style within the top 100 of in their age categories and disciplines; great for club members who have the opportunity to train for one hour a week during school term time only:

Miya Amari U11 girls: 31st Epee
