Dear Parents / Carers

Re: Coronavirus Outbreak Update

As instructed by government we are currently staying open and are aiming to ensure our pupils receive a high level of education. Whilst we remain open it is important we put in place procedures that will assist us in reducing the risk of Coronavirus for both pupils and staff. We have drawn up a Risk Assessment which we are following to ensure risks are reduced.

Currently some pupils are being kept home from school for a variety of reasons; colds, stomach bugs, chosen self-isolation due to them or family members being immunosuppressed. We completely understand that families are worried at this uncertain time and respect their decisions. We aim to keep you fully informed as things progress and will send out regular updates either through email, text or our website. To date we have not had any cases of Coronavirus (pupils or family members) within our school community.

This week our teachers will prepare online work and guidance notes which will be available to all pupils if and when we are directed to close.

Thank you for your support at this time.

Yours sincerely

**S. Lewis
