12/02/2021

Dear parents / carers,

We have made it to the end of the first half of this spring term and a huge well-done must be said to all children, parents and staff for your achievements during this time.

Next week is a holiday and there will be no work online, as everyone deserves a rest. Staff will also be resting and will not be able to respond to any queries you may have, so please do not expect communication online.

After the half term holiday, Foundation Phase (Nursery to year 2) will be returning to school.

Information regarding procedures have been sent out separately, but please note that siblings will go home at the time of the earliest sibling leaving. Please also note that Dosbarth Dahl will return to their own classroom, and have a supply teacher in place, Mr Roche.

KS2 children (years 3-6) will continue with online learning after half term.

Provision for children of critical workers continues in school for FP and KS2 in the first week, and KS2 from 1<sup>st</sup> March onwards.

We are thrilled current situations mean we can welcome FP children back to school. We hope situations improve further, allowing KS2 to return. To support this happening we ask you to continue adhering to restrictions in place throughout the half term holiday and when FP return to school, and ensuring that children do not mix outside of school or in each other's homes.

Wishing you all a happy and healthy half term.

S. Lewis

Headteacher

**Please note: If your child or a family member has Covid-19 symptoms, you must inform school and they must self-isolate at home.**

**Please note: Covid-19 restrictions continue outside of school, so children are unable to mix in home circumstances.**
