Friday 22<sup>nd</sup> September 2023

Yesterday, Year 3 & 4 had a special visitor, one of our parents Marcia from Chile, to talk about her many experiences of earthquakes and volcanic eruptions.

Marcia told them all about how to survive in one of these natural disasters, what it feels like to be in one and why these disasters happened a lot where she lived.

Year 3 & 4 helped check her bag for what she will need in an emergency and how to brace to protect ourselves. They already knew a lot about tectonic plates, volcano formation and earthquakes but still had many questions.

We have some enquiring, knowledgeable geologists in Year 3 and 4 and their behaviour was impeccable.

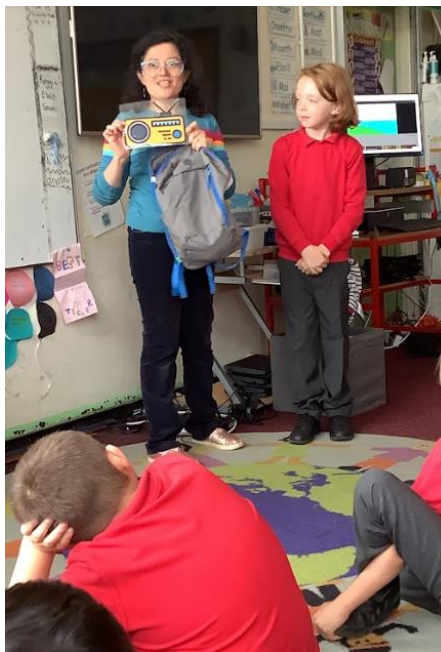

Da iawn and a huge thank you to Marcia.

Week ahead

27<sup>th</sup> September

- Stanwell Transition morning 6 Year 6

Attendance

The highest attendance for the week was achieved by...

**Dosbarth Milton 95.3%**

**Fantastic!!  
Bendigedig!!**
