As part of their new topic, 'Tomorrow's World', Year 5 & 6 welcomed a past pupil/parent to Fairfield to give a presentation about his business. Mr Andy Rees of Limegreentangerine explained to the children the various roles involved in rebranding and web design. Hopefully many children will be inspired to follow their passion and interests when thinking about their future, as Andy did with his love of art and technology. The children listened attentively and asked many pertinent questions.
