## Eco News!

The Eco Team are proud to announce the first winner of our **Green Ribbon award.** It goes to **Leah from Dosbarth Kipling.** She has been recognized for all her ongoing hard work helping to maintain the new rain garden on Dryden Road. Since it was installed last summer, she's helped to water, weed and keep it litter free. Thank you Leah for helping to make our wider community a more pleasant place to live.

Congratulations  
**The Eco Team**

We are proud to support Craig and his family and friends in achieving the goal of walking and cycling over 780 miles of the Welsh coastal path, raising funds for new research and developments in the field of genomics and cancer.

Further information on Craig's story can be seen via this link as well as a link to donate towards the fundraising.

Years 1 & 2 had a wonderful trip to Cardiff Castle on Tuesday. They explored the lovely grounds before attending a dragon egg workshop, where they listened to a dragon story, played dragon games and took part in the knight's quest. After lunch they headed into the castle house for a tour and later climbed the very steep steps of the keep before heading home! It was a wonderful day where all the children behaved amazingly and the castle staff even commented on how polite, inquisitive and curious the children were! Da iawn!
