Eco News!

The Eco Team are proud to announce this week's winner of our **Green Ribbon award**. It goes to **Hussain from Dosbarth Kipling**. He has been recognized for volunteering to take part in a community litter pick, and helping to tidy up his garden ready for more planting. Thank you Hussain for helping to make your community a more pleasant place to live. Congratulations.

In further news, a huge thank you to the PTA for donating 2 Welsh heritage apple trees to the school.

They have been planted by members of the Eco Team and Dosbarth Shelley.

They can be seen at the front of the school, fingers crossed we'll see them fruiting in a few years.
