

Fairfield News

Friday 15th March 2024

As part of our Tomorrow's World project, years 5 and 6 have learnt about a range of modern technology including robots. We were able to work with the Digital Leaders from St Cyres to control sphero robots and have a Robot Wars game. It was very loud as we cheered on each Robot, expertly controlled by the pupils via iPads. Some robots were redesigned as we learnt that sometimes speed is better than heavy weaponry!

The children enjoyed a physics lesson today delivered by Mr McCarthy from St Cyres. They investigated reflected light, measuring the angles of incidence and reflection. They were all very enthusiastic in their learning and Mr McCarthy was impressed with their knowledge of light.

Year ahead
2023 - 24

Spring Term 2024

8/4: INSET DAY

9/4: First day of Summer Term
