Ms Lewis discussed the unsafe of playground equipment

Andrew covered over the parent request about filming the school concert and Avalon will reach out the parents who can videographer it properly and it can go on to Google classroom only due to consent for all children etc.

San covered of the Christmas fayre which look really exciting and there is lots on offer with food, games, the choir and Santa!

Even the neighbours have been invited which is brilliant.

Andrew covered off the theatre trip with Avalon San Andrew and Robin all attending and we will invite Lex and Mel too. Ms Lewis would then like to ask volunteers in the school who read with children as well before asking parents.

We are looking to recycle the gate notice board and San will get prices for just the plastic glass to be replaced because new are £200 each.

Next PTA meeting will be Thursday 23rd January at school @ 7pm!
All welcome! And a big thank you to all our committee and volunteers for 2024 it's been amazing.
