We discussed the working bee day 10th May and went around the school to see what was needed to be done.

Vikki has a working bee WhatsApp group and it's been agreed Chris will open the school 10am until 5pm.

We also mentioned the 18th May Pen y Fan climb and that everything was in order with Marcia and Laura.

AOB was that we needed to get a meeting in place for summer Fayre which has been arranged for 15th May at 7pm in the school.
