Andrew welcomes everyone, Mr Jones first AGM meeting with us, Mikala's first PTA meeting as well and wanted to volunteer to help PTA going forward! Thank you.

Top discussions are theatre trips, trim trail success (this needs to be taken from balance on accounts), giving funds to classrooms so they can plan more trips and resources.
All 2024 commitments and success.

Robin covered the accounts and expenses.
Mr Jones made us aware there is parental meeting 15th September and all are welcome.

PTA have funded Nessi which is an extra spelling tool to help with dyslexic and other needs within the school, £170 paid recently.

Agreed that classes will get £150/£175 per class for September onwards to help with class room activities.

Safety of the road outside school and drop off and pick up an issue and we need more support to protect the children - Mr Jones happy to reinforce this and will put a reminder on newsletter tomorrow.
We can even bring back PCSO's if necessary.

Uniforms are no longer the PTAs responsibility, it's going to be visual near reception in the junior's area and parents and carers can collect as and when they like, it's a free benefit.

Tomorrow myself or Mrs B James will check if Christmas cards can be made this year in class or at home, need to check with Mrs Duffy if we have them available still.

We went to voting -
