## Energy Engineer Visit

Over the last few weeks Year 3 & 4 have been learning about renewable energy. They have used their persuasive letter writing skills to ask the Vale of Glamorgan to install solar panels on our school roof to save money and to be more environmentally friendly.

On Friday they had a brilliant presentation given by Mr Coleman (Ismay's Dad) about the renewable energy projects his energy company works on. All 3 lower junior classes were enthralled and fully participated in the session with enthusiasm showing Mr Coleman respect. Many thanks to Richard for volunteering his time to give us an insight into how our classroom work could be developed as a career in the future for our pupils.

## Week ahead

**9th February:**  
Year 6 Residential Meeting

**10th February:**  
Primary Fives Football Festival

**13th February:**
