Charity No: 517582

PTA meeting in Byron classroom on 7th May 2026 @7pm

Attendees

San

Vikki

Kat

Avalon

Mrs B James

Marci

Andrew

Summer festival 27th June 2026 @ 1230

San covered off what we have and what we still need.

Asda champion will donate some tip tops and any extras for this.

Andrea's florist will donate a voucher for the raffle.

Emma a parent at the school is donating quite a bit for this as well.

Mrs B James is asking for PTA to donate some money for outdoor learning - we discussed about using upcoming fundraisers to support this so there is a purpose which we thought is a great idea!

Rachel from Asda came last week to have a photo with us and children for the £500 we had awarded to us for sports equipment. We will be displayed in their magazine with the quote I used to support the application. We will get a few copies once published.

We need to get some ideas together for what sports equipment we can spend this on so we can make a decision asap.

In the infants area - the trail was taken away and there are holes that need filling - this needs to be added to the working bee or if a parent can help fix before an accident happens, then great!

Working bee is 30th May.

Mrs James will ensure the list is available for teachers to add and we can have it in plenty of time to share with working bee group.

Andrew to get list of jobs and liaise with James.

Vikki to visit ikea to see if can donate anything to us.

PTA will concentrate their efforts on larger events, such as fairs, quizzes, bingo night, silent disco. We would like volunteers to run the smaller events.

Avalon to see if any parents can volunteer to run the future cake & lolly sales. We would like to run a sale before half term.

We need all the uniform gone from school before 21st May, we've decided to place in the playground so parents can help themselves.

Mrs James will have nurseries uniform.

PTA to clear the PTA side of the garage on the 21st May from 3.30PM.

Rock choir cannot make this years summer festival.

Anyone on the committee what's app group that didn't have an active role anymore needed to be removed.
