Welcome back

Welcome back to all of Fairfield's community from what we hope was an enjoyable summer holiday. It has been a joy to see the children return with great enthusiasm and settle so well into their new classes. Welcome also to our new children and families!

We look forward to another year of achievements, and working together to support your children.

A reminder that Dryden Road is a school street, with cars not allowed at the beginning and end of the school day.

Welcome Meetings

We invite parents into school on Wednesday 16th September, to meet their children's class teacher and learn about the classroom and the learning taking place.

There will be two opportunities to attend 3:45 - 4:15 pm and 4:15 - 4:45 pm.

Google Classroom

Google Classroom will be set up for all classes next week.

Over the year, teachers will use Google Classroom for learning in school and at home, as well as to communicate events and information with parents. Therefore, it is important you regularly login with your child to view the content.

If you require your child's login details please contact the office.

The importance of communication

The school's official channels are email, text messages via Arbor and the weekly newsletter. If you have any queries please email or phone the school. Please click [here](#) to view the school's Communication Procedure.

Health and Wellbeing Snacktember at Fairfield!

At Fairfield, we are passionate about promoting healthy lifestyles and helping children make positive choices. This September, we're taking part in Snacktember and encouraging children to bring healthy snacks to school.

To support this initiative, we kindly ask that children bring water as their drink for the school day. Please do not send fizzy drinks or energy drinks into school.

We would greatly appreciate your support in helping us build healthy habits for life. Keep an eye on our school communications over the coming weeks, where we'll be sharing some fun, healthy snack recipes for families to try together at home.

Snack Smart. Sip Water. Stay Healthy!

Estyn Monitoring Report

Just before the summer holiday in July, we were visited by Estyn inspectors for a monitoring visit.

The monitoring report, is available to view [here](#) and on the Estyn website.
