Community-Focused School: We Need Your Feedback!

We are continually looking for ways to strengthen how we support our pupils and their families. Your views are vital in helping us celebrate what is working well and identify where we can do better.

Please take a few minutes to scan the QR code below and complete our short, anonymous questionnaire. Every response gives us a clearer picture of what our families need.

To help support this, Ms. Walsh (one of our LSAs) will be stepping into a new dual role as Family Engagement Officer, dedicating time each week to work alongside families, to build positive relationships, to make sure you feel listened to and are receiving the support and information that matters to you. Thank you for taking the time to support the school and our community.

PTA Working Bee

The PTA Working Bee is returning and will take place on the first Saturday of every month.

Our first session will take place on **Saturday 3rd October, from 10.00 am until 12.00 pm.**

If you are available to help please come to school for 10.00 am and jobs will be allocated on arrival.

Everyone is welcome, and any help you can give will make a real difference to our school.

Diolch!

Celebrating our successful Estyn revisit! Inspectors praised that "We have raised the profile of Welsh successfully across the school through a clear strategic approach and Daily Welsh lessons provide regular opportunities for pupils to practise vocabulary and sentence patterns". Now, you can join the journey too. We are offering an opportunity for parents to learn Welsh at home so you can support your child's learning. Let's learn together!

Learn Welsh classes for parents

There's an opportunity to enrol on a free Welsh at Home class for parents / carers for 30 weeks starting in the next couple of weeks. These lessons will be tutor led for 1.5 hours a week. The options are below
9.30 – 11 – Monday – Zoom
6 – 7.30 – Monday – Zoom
9 – 10.30 – Tuesday – Ysgol High Street, Barry

The lessons will introduce vocabulary and phrases that you can use with your children. We'll also be exploring online resources and giving you the confidence to give it a go! You may have a little bit of Welsh already but lack confidence in using it? The lessons will provide a safe environment for you to practice your Welsh again! The links to register are in the attached poster. If you would like to know more about the Welsh at Home scheme before registering, please don't hesitate to contact – Olwen Morus on olm25@aber.ac.uk.
