Culture Week

What a fantastic and successful Culture Week we have had at Fairfield! A huge thank you to all of our families for your support and contributions throughout the week.

We have thoroughly enjoyed learning more about the rich cultures, traditions and backgrounds represented within our school community. It has been wonderful to see our pupils so enthusiastically sharing their experiences and teaching others about what makes their cultures special. By celebrating our similarities and differences, we continue to build understanding, respect and belonging for everyone. We hope that exploring each other's beliefs, traditions and experiences helps us move forward together on our journey as an anti-racist school.
Below, you will find a useful link to support conversations with your children about racism and the importance of treating everyone with kindness, fairness and respect.

National Schools Meals Week

Next week, Big Fresh will be providing small samples of school dinners for all pupils to try alongside their packed lunch. This is a great opportunity for children to sample some of the meals available and see whether they might like to order a school dinner in the future. There is no need to sign up for this tasting session. Samples will be available each day, and children can choose whether they would like to try them.

PTA Working Bee
The Working Bee has been rescheduled to **Saturday 14th November, from 10.00am to 12.00pm**.

If you are available to help, please come to school for 10.00am, where jobs will be allocated on arrival.

Everyone is welcome, and any support you can offer will make a real difference to our school. We look forward to seeing you there.
Diolch!

Friday 13th November - Children in Need
